

OSHA 501

Trainer Course in Occupational Safety and Health Standards for General Industry

Prerequisite Eligibility Statement

I, _____, the undersigned, acknowledge that prior to attending this OSHA 501 course and upon signing this eligibility statement, that I have met the OSHA mandated prerequisites. I understand the prerequisites to attend the OSHA 501 are as follows:

1. Completion of OSH511 Occupational Safety & Health Standards for General Industry course (*if you are a previously authorized General Industry trainer and your General Industry trainer card has expired, you are verifying that the expiration on your General Industry trainer card is LESS than 10 years old*)

AND

2. Experience:

Five years of broad-based general industry safety experience, with general industry safety as at least a collateral duty (you do not need to have devoted all of this time to safety and health, but safety and health must have been a part of your responsibilities).

OR

Three years of broad-based general industry safety experience, with general industry safety as at least a collateral duty (you do not need to have devoted all of this time to safety and health, but safety and health must have been a part of your responsibilities) WITH one of the following:

- A college degree in occupational safety and health
- Associate Safety Professional (ASP)
- Certified Safety Professional (CSP)
- Certified Industrial Hygienist (CIH)
- Advanced Safety Certificate from the National Safety Council

If you are unsure if you meet the experience or educational prerequisites, please contact Elizabeth Haley, Training Manager – OSHA Training Institute, Southwest Education Center at (972) 222-1300, ext. 238, 800-723-3811, or by cell phone at (214) 549-6925.

I understand that I may be requested to provide a resume, copies of certificates or other means of verification as proof of education and experience. Additionally, I understand that students who do not meet the above prerequisites will not be permitted to attend the class.

By signing below, I acknowledge that I meet all the prerequisites to attend the OSHA 501 course as listed above.
