Backflow Prevention Assembly Tester Training: January - May 2010

NOTE: See our website at www.teex.org/bpat for a complete listing of class dates.

Backflow Prevention Assembly Tester's School - 40 hours

Course Fee: \$520.00

This 40-hour school (TCEQ # 1200) provides the required 40-hour Texas Commission on Environmental Quality (TCEQ)-approved course, along with the TCEQ-approved "hands-on" practical and written test administered at the conclusion of the course, to be considered for licensure by TCEQ as a Backflow Prevention Assembly Tester (BPAT).

Continuing Education Credit:

- 40 hours for Backflow Prevention Assembly Tester (BPAT)
- 12 hours for licensed Water & Wastewater Operators
- 12 hours for licensed Landscape Irrigators
- 12 hours for licensed Customer Service Inspectors
- 100 hours of training credit for a Plumbing Inspectors license (through TSBPE)

Backflow Prevention Assembly Tester Refresher: Principles of Rules and Regs - 8 hours

Course Fee: \$175.00

This 8-hour class (TCEQ Course # 0985) is designed to provide continuing education and is NOT an introductory course. This course is for licensed Backflow Prevention Assembly Testers. However, other licensed individuals may receive valuable information relating to their fields. This course is classroom only and does NOT include the eight hours of "hands-on" practical skills training required by TCEQ.

Continuing Education Credit:

- 8 hours for licensed Backflow Prevention Assembly Tester (BPAT)
- 8 hours for licensed Customer Service Inspector (CSI)
- 8 hours for licensed Water & Wastewater Operators
- 8 hours for licensed Landscape Irrigator
- 8 hours of training credit for a Plumbing Inspectors license (through TSBPE)

Backflow Prevention Assembly Tester Refresher: Practical Skills - 8 hours

Course Fee: \$175.00

This 8-hour class (TCEQ Course # 1201) is primarily designed to provide continuing education and a "refresher" on test procedures for licensed Backflow Prevention Assembly Testers (BPAT). Successful completion of this class fulfills eight hours of "hands-on" or practical skills training required by TCEQ. The class is conducted on Thursday of the WWW500, 40-hour Backflow Prevention Assembly Tester's School.

Continuing Education Credit:

- 8 hours for licensed Backflow Prevention Assembly Tester (BPAT)
- 8 hours of training credit for a Plumbing Inspectors license (through TSBPE)

Customer Service Inspector - 10 hours

Course Fee: \$205.00

This 10-hour course is primarily designed to provide the necessary training for individuals who have met the TCEQ requirements and wish to obtain a Customer Service Inspector license. The holder of the Customer Service Inspector license may perform a Customer Service Inspection, (CSI), as outlined by the rules and regulations provided by the TCEQ. Other licensed individuals may also receive valuable information relating to their fields.

Continuing Education Credit:

- 10 hours for licensed Backflow Prevention Assembly Tester (BPAT)
- 10 hours for licensed Customer Service Inspector (CSI)
